Making Lifestyle Sustainable

  
gren

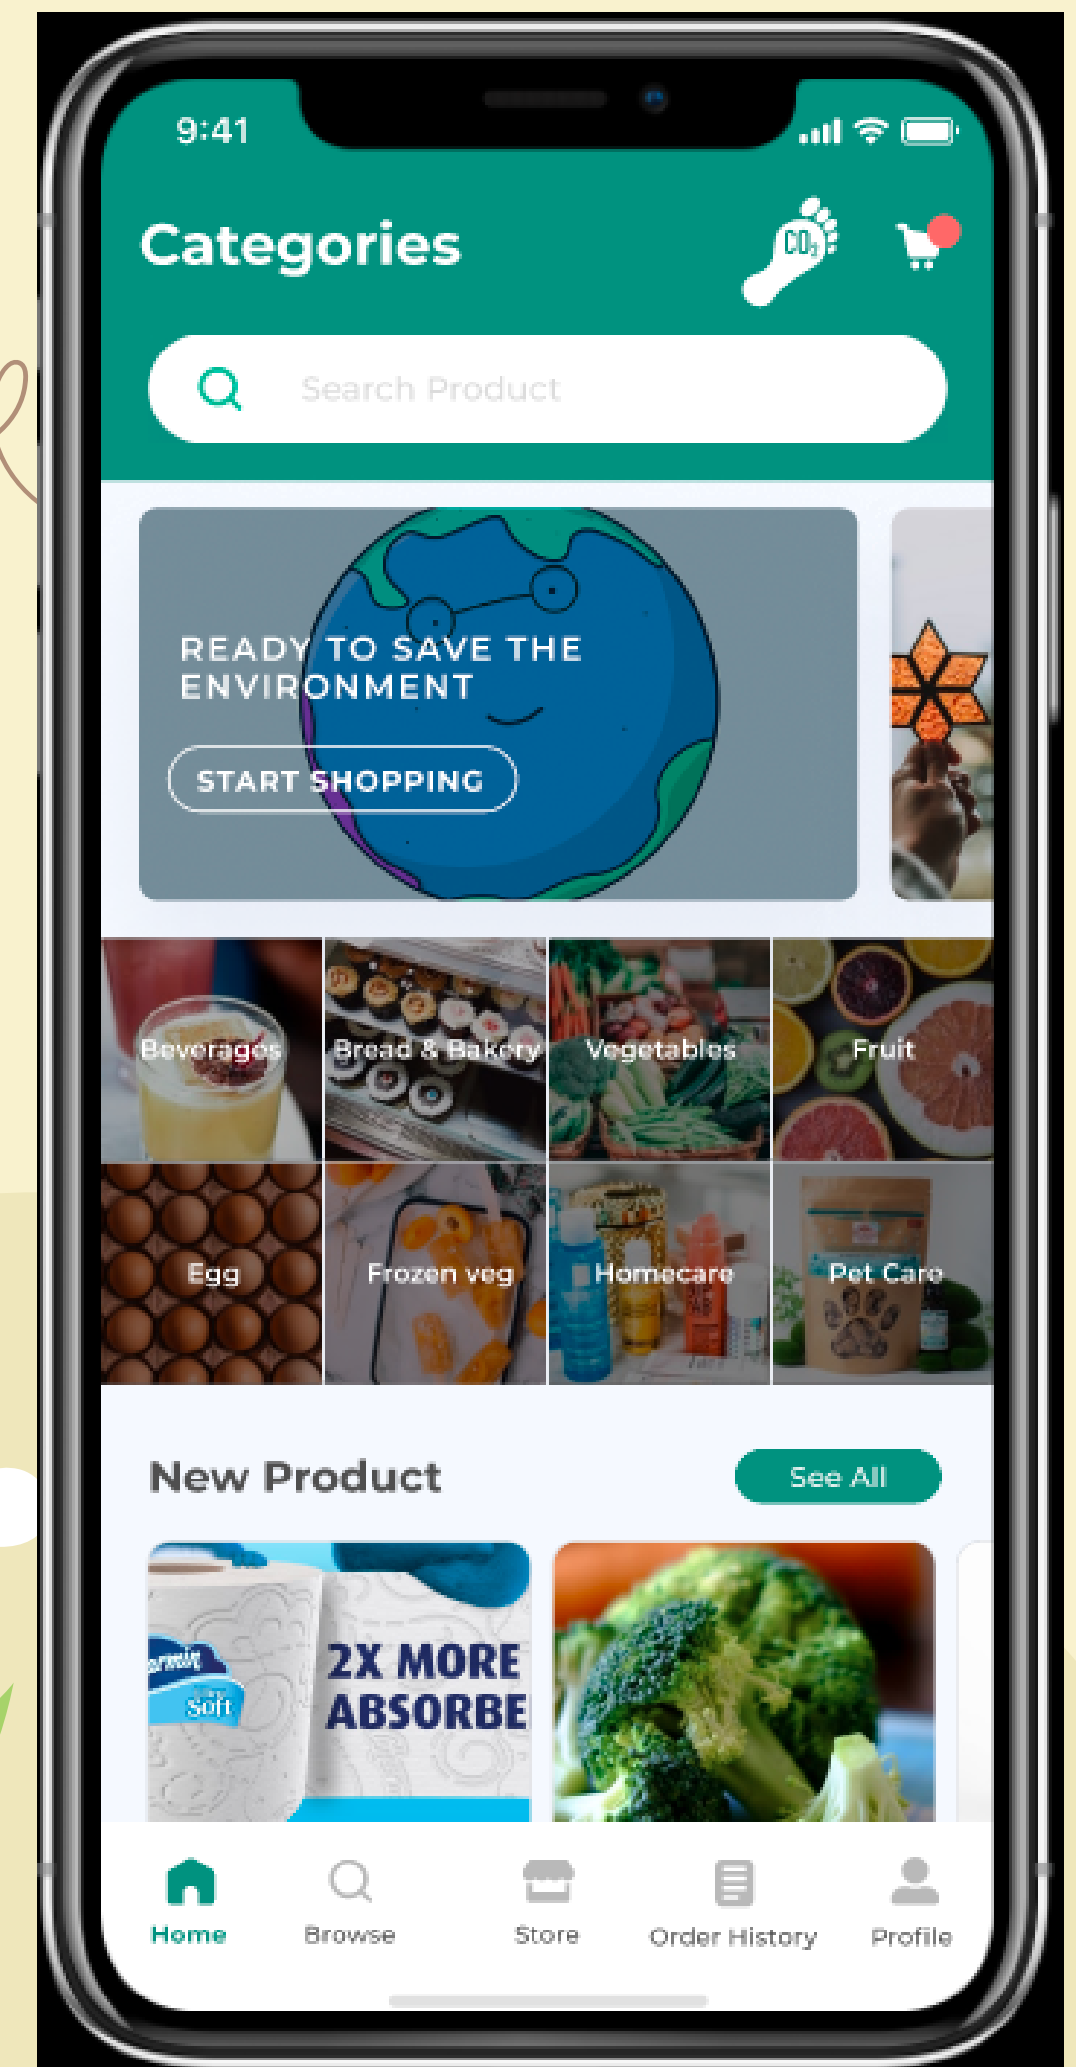

# Problem

- Mother nature is already taking hits from the poor choices of us human beings
- We are producing Carbon Footprints from the food we eat to Toilet papers.
- Do we have alternative products?
- How can we reach them?
- What about recycling?

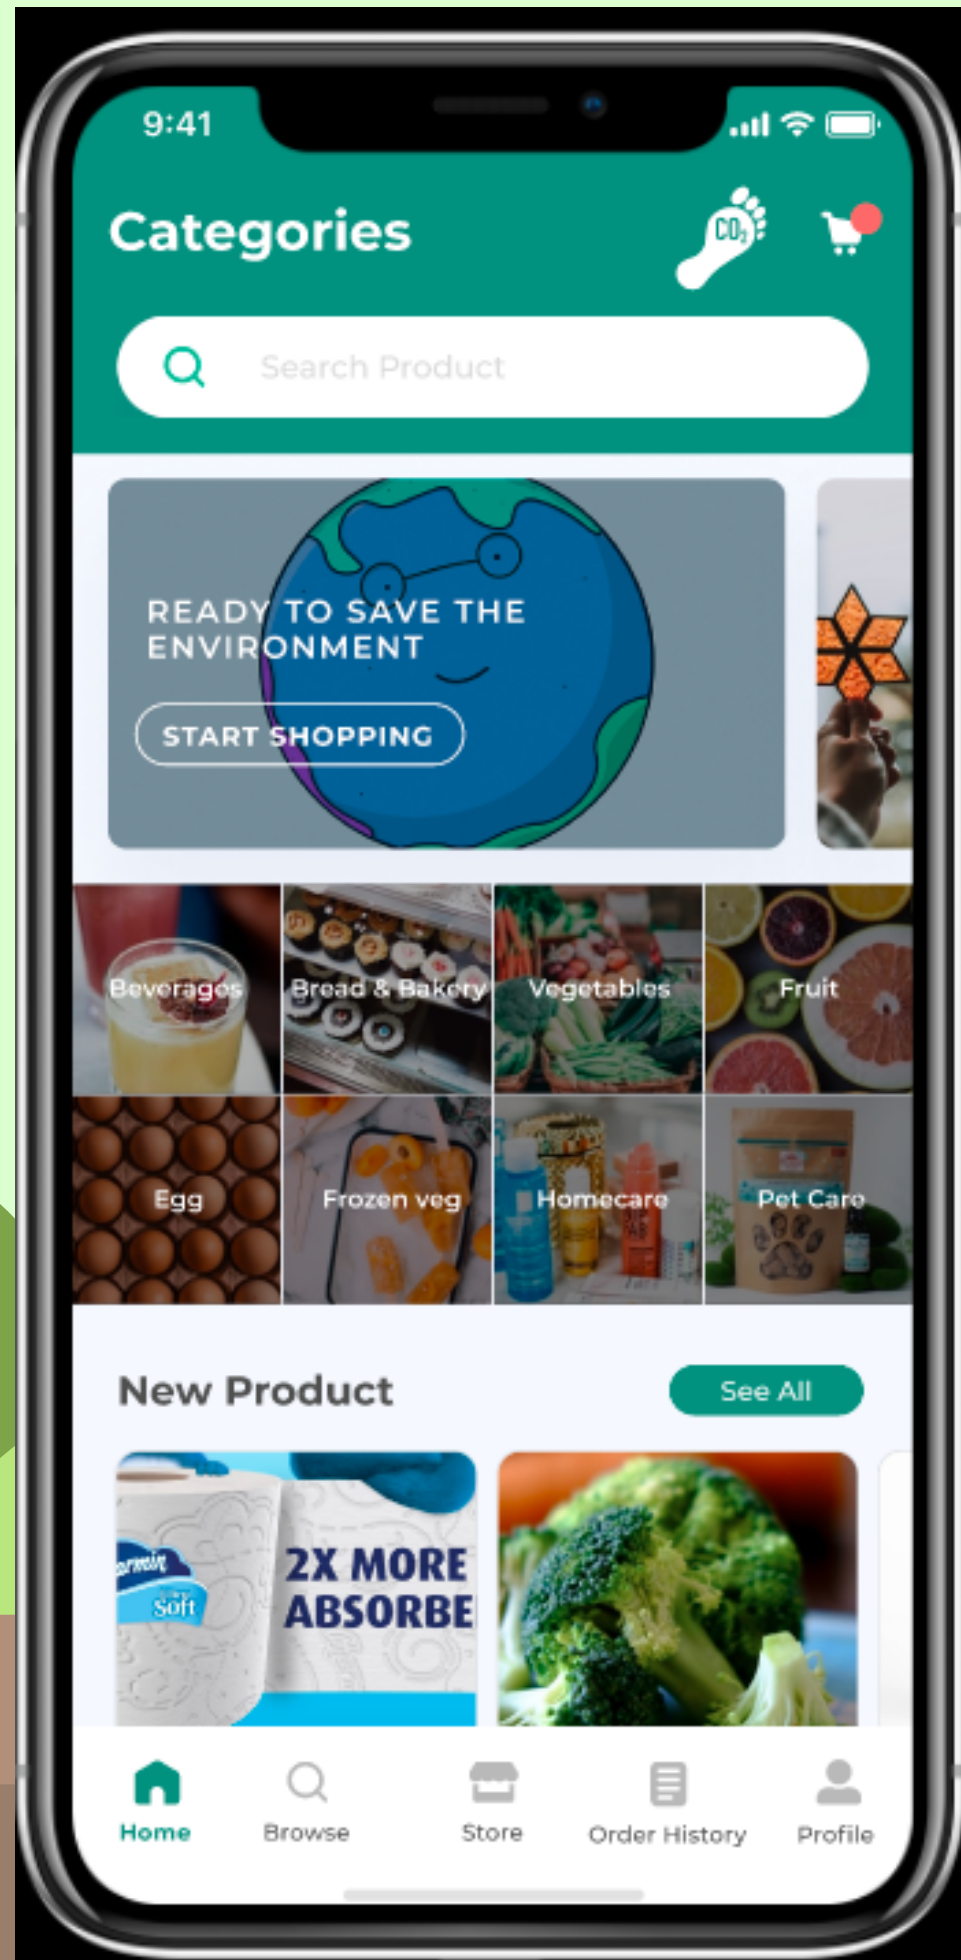

# Introduction

- Making lifestyle choices sustainable
- Providing eco alternative products
- Keeping track of the Carbon Footprint
- Promoting Recycling with incentives

# Our GOAL

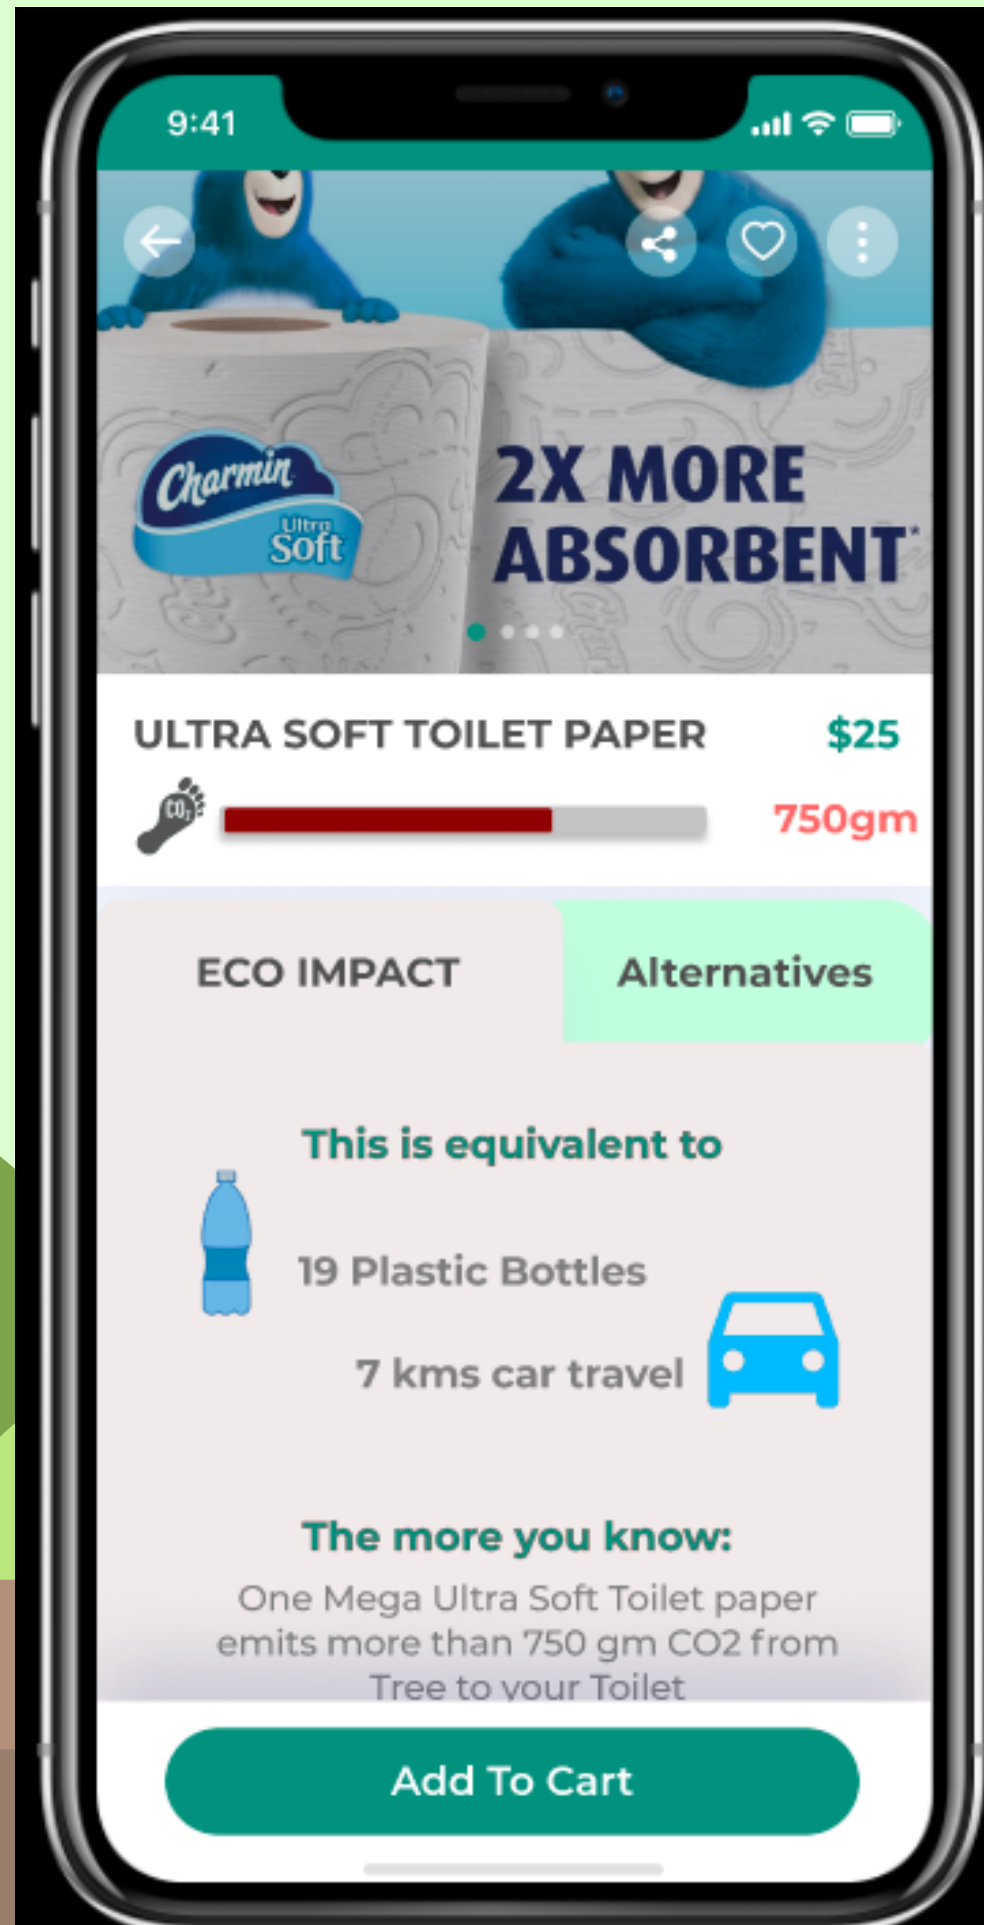

# Reducing Carbon Footprints

- Alternate Eco Products Less Carbon
- ECO Impact Description

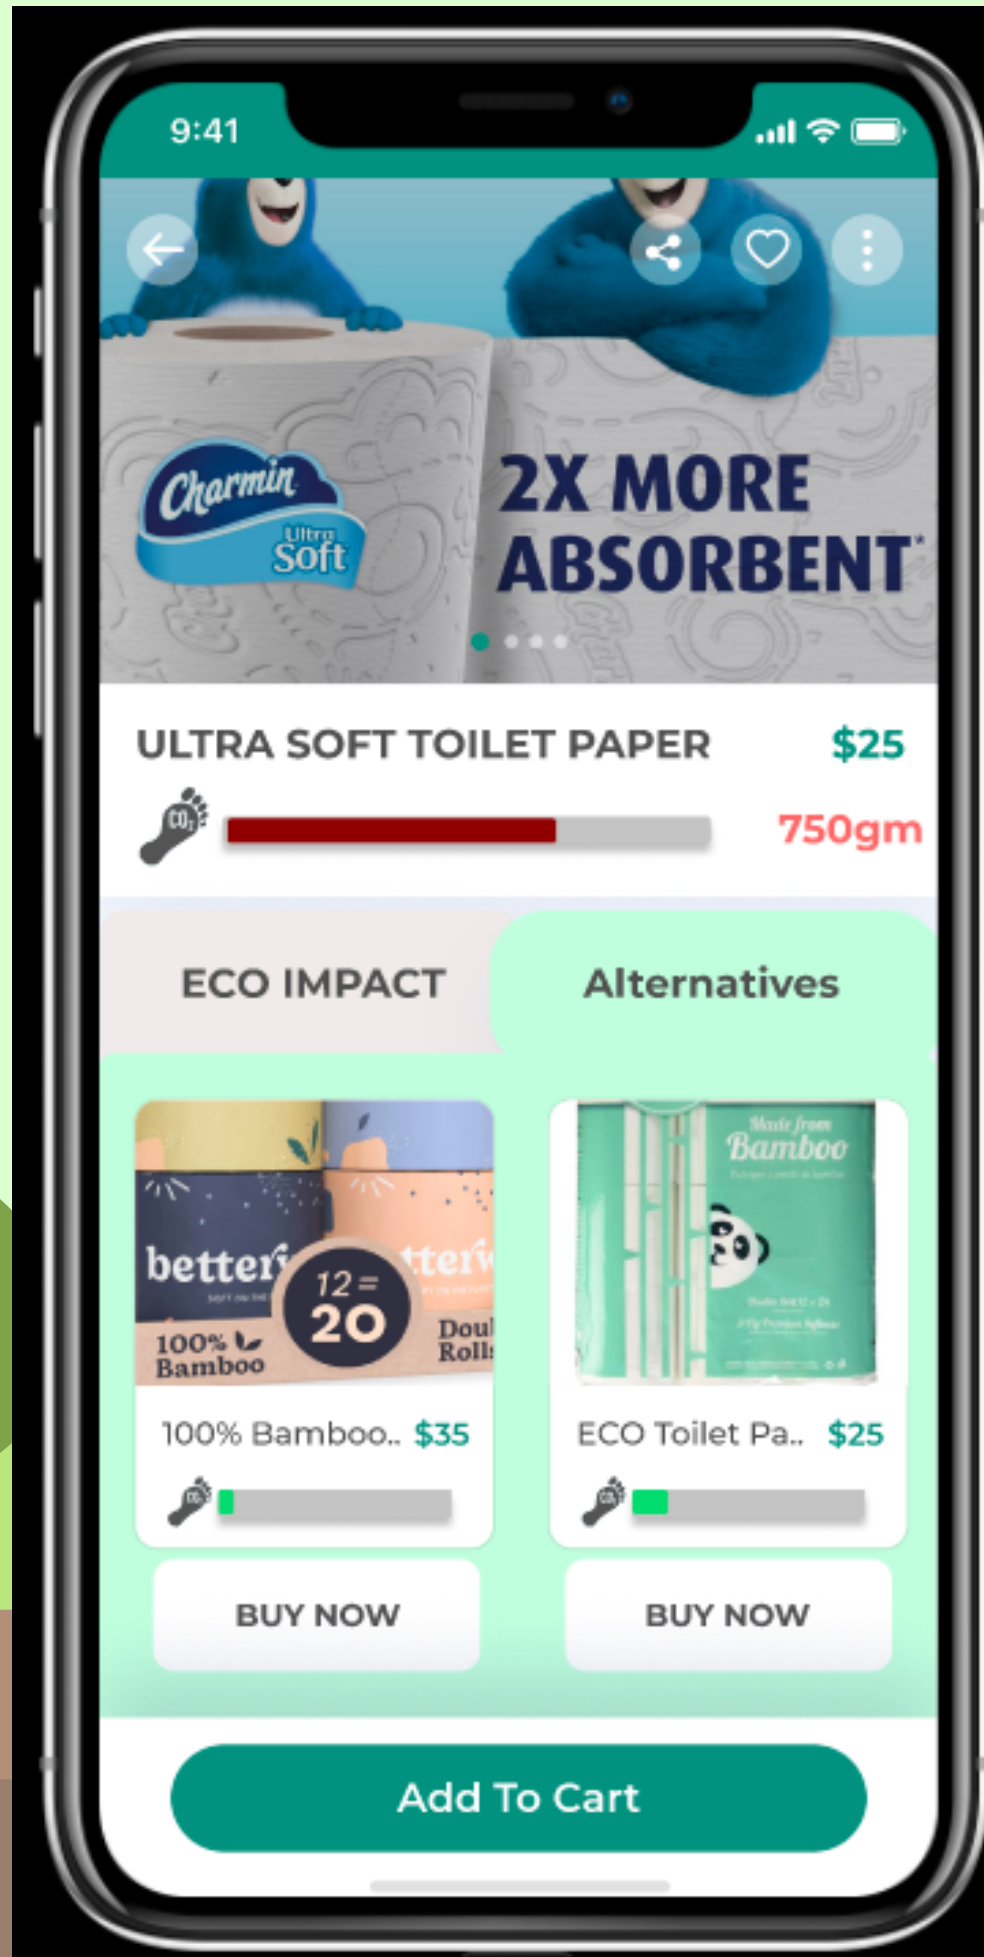

# Reducing Carbon Footprints

- Alternate Eco Products Less Carbon
- ECO Impact Description

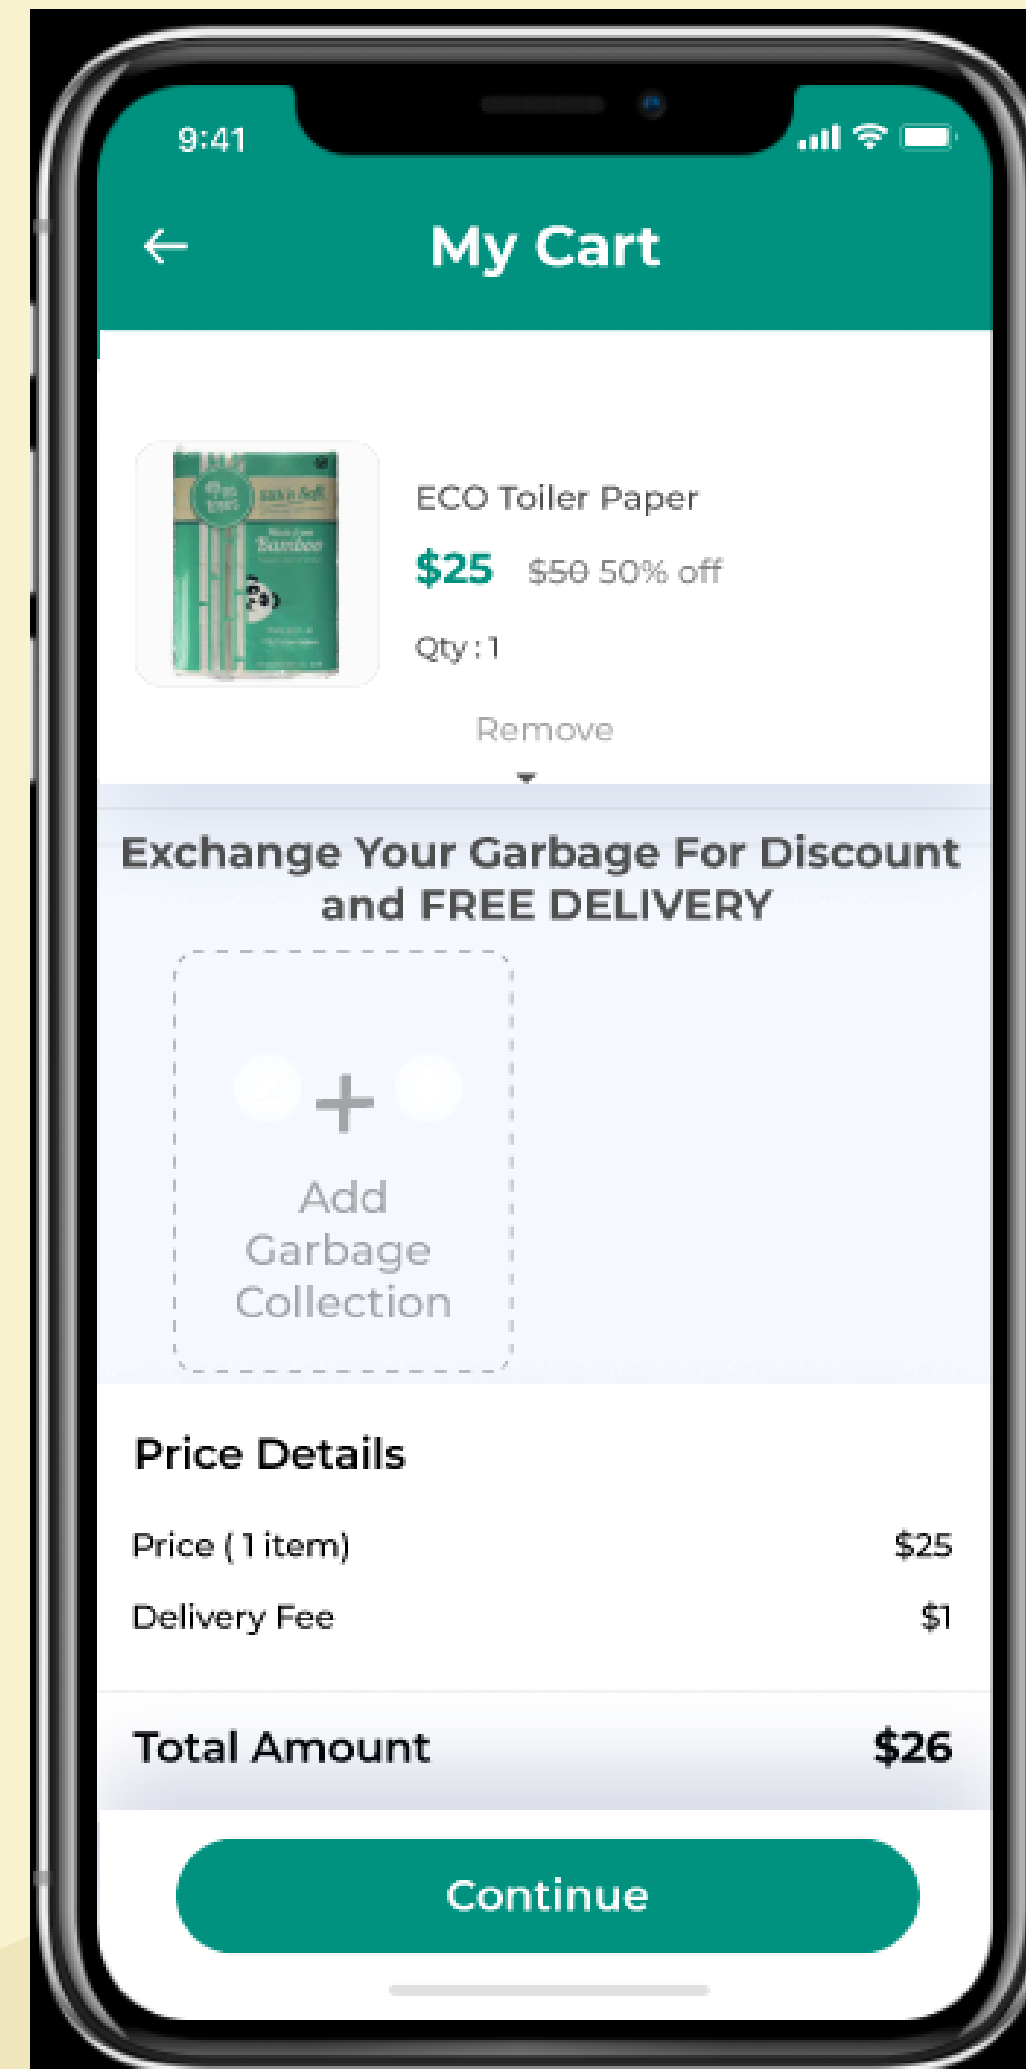

# Reducing Carbon Footprints

- ECO Impact Description
- Alternate Eco Products Less Carbon
- Carbon Footprint Comparison

# Recycle Garbage

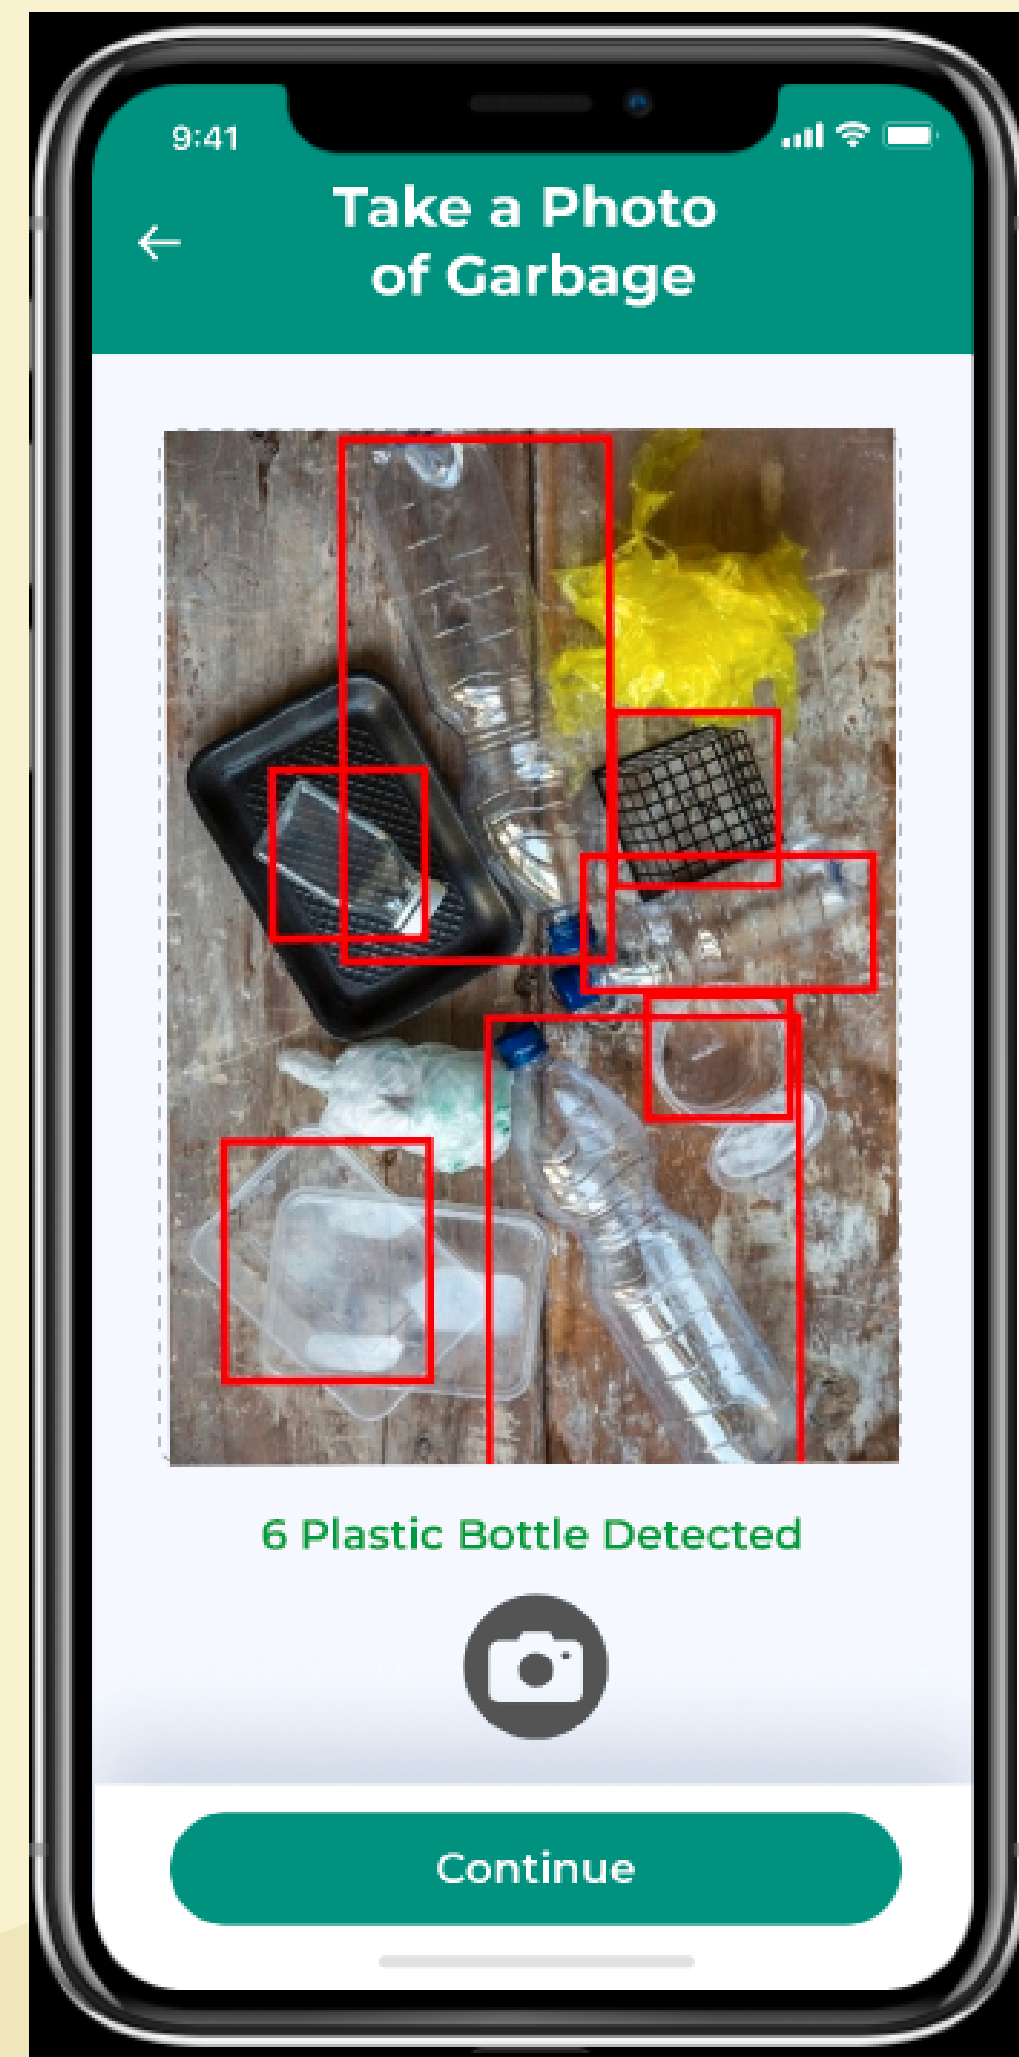

- Perks like Free Delivery
- Discount
- Deep Learning Model for Garbage Detection

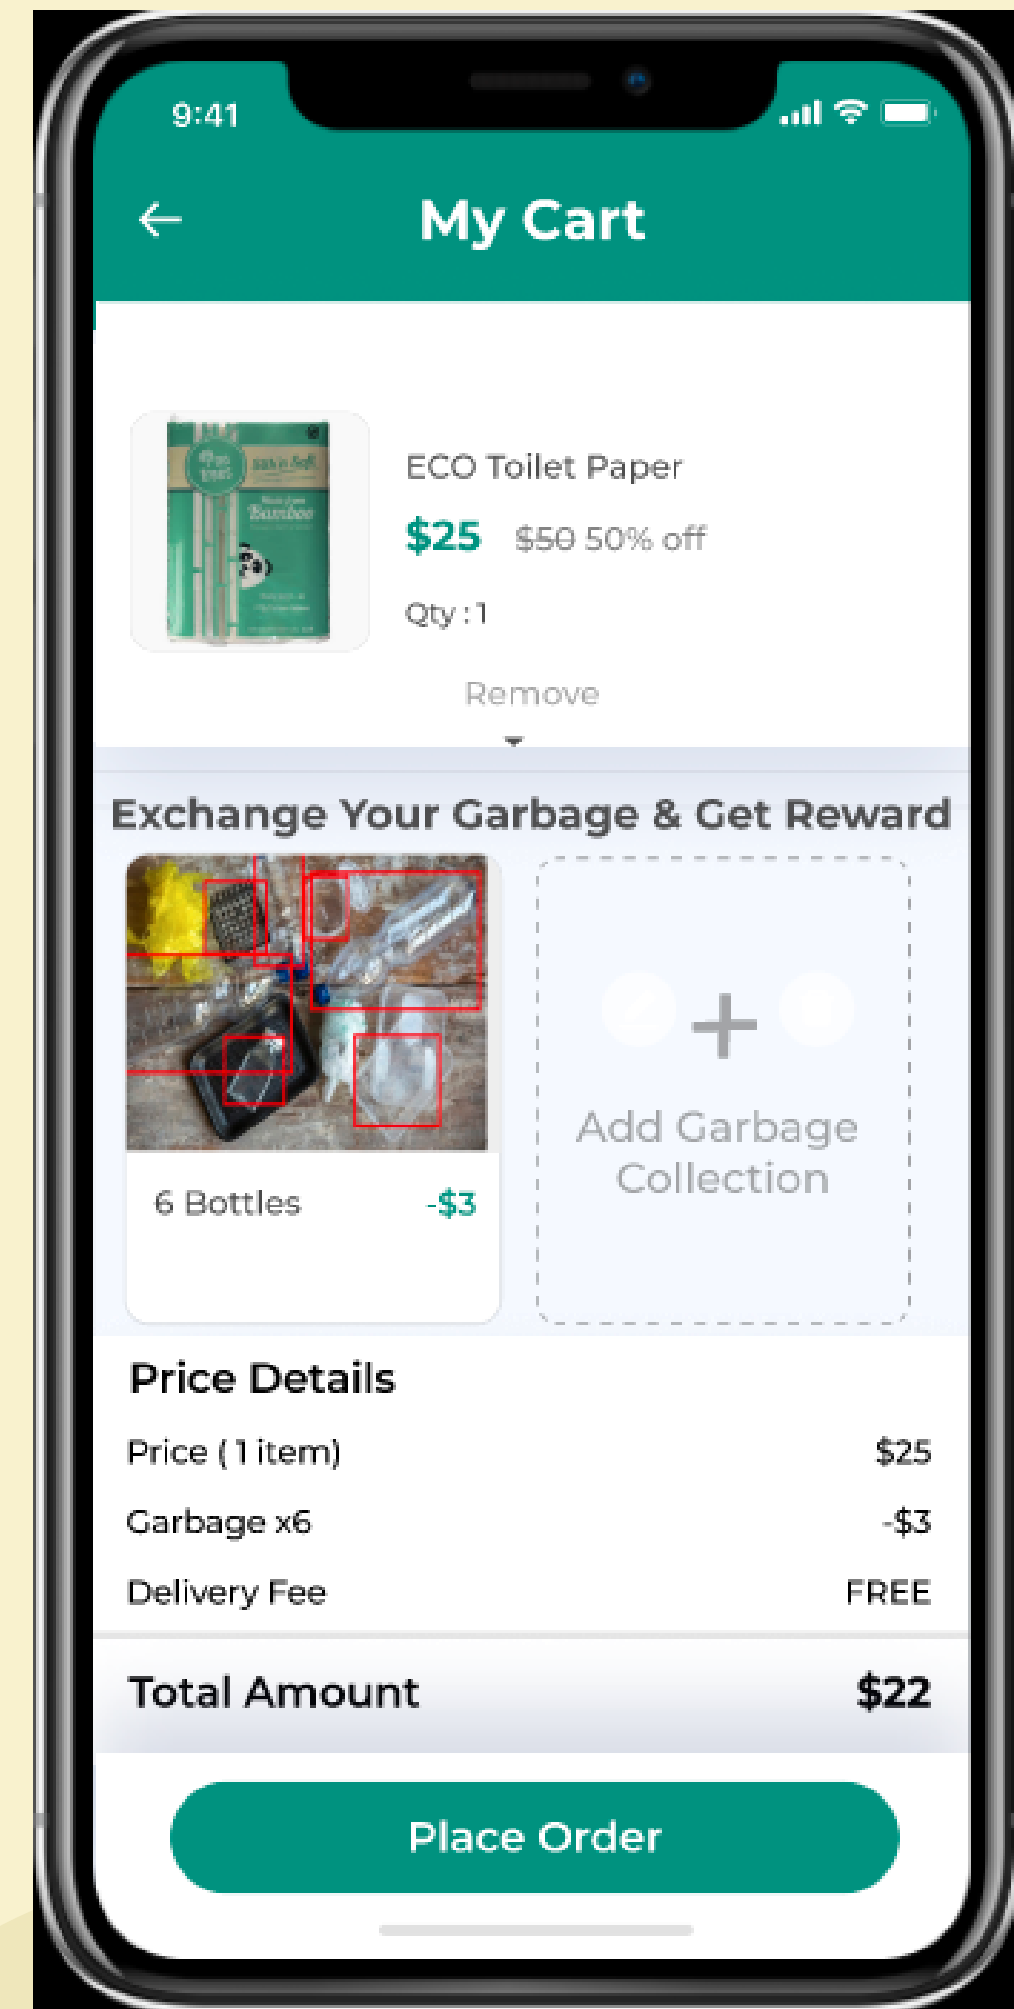

# Recycle Garbage
